## Hi, I'm Kodiak!

I would like to introduce you to Four Paws Dog Park, Greenwood's first dog park facility. Four Paws Dog Park is where I ask my owner to take me when I want to have fun! It's a very special place for dogs that provides a secure, fenced area where I can run, jump, play and socialize with other dogs off-leash, within one of our city's most beautiful parks. At Four Paws Dog Park, there is agility equipment for me to play on, lots of grass so I can run and jump with my friends, and even a doggie water bar. There are also waste stations so my owner can pick up after me, which is very important in keeping our park clean! Your owner will enjoy the park as much as you do! All responsible owners and their healthy, good-natured dogs are invited to become members. To obtain a membership tag, which you will need to wear when you come to play at the park, have your owner bring a copy of your current dog vaccination records to the Greenwood Community Center, 100 Surina Way, Greenwood, IN. I can't wait to meet you at the Four Paws Dog Park. See you soon!
